# COMMUTE SMART RALEIGH

[RALEIGHNC.GOV/COMMUTESMART](http://RALEIGHNC.GOV/COMMUTESMART)

---

## Parking a Problem?

Commute Smart Raleigh and the Center for Urban Transportation Research (CUTR) are partnering to host and sponsor a Raleigh Commuter Transportation Workshop on September 12 and 13 at Red Hat Annex. By the end of the workshop, you will have an implementable plan to reduce parking demand at your company. Each day, Commute Smart Raleigh will provide coffee and a snack on arrival so people can network and we will serve lunch. I hope you can make it!.

Numbers are limited so please register for the workshop at:

<https://www.cutr.usf.edu/2018/04/raleigh-commuter-transportation-workshop/>

Enter password: RedHat
